2010 South Texas Fire Investigators Seminar

“A Forensic Analysis of Fire Dynamics”

Presented by Professor, Ph.D. and world renowned author

Dr. James G. Quintiere

This presentation will include an in-depth analysis of fire dynamics and how to apply scientific principles of fire behavior during fire origin and cause investigations. Topics to be discussed include ignition and flame spread, ventilation effects, fire plume development, flashover and full room involvement. Dr. Quintiere will also delve into historical case studies including the Branch Davidian fire, the Dupont Plaza fire, the Waldbaum fire, and the World Trade Center attack.

This seminar will be held at the Isla Grand Beach Resort in South Padre Island, Texas. The nightly room rate has been held over from last year (\$75.00 per night) and will be good for 3 days prior to and after the seminar.

Early registration fee is \$175.00 dollars.

Fax registration forms to the Hidalgo County Fire Marshals Office c/o Deputy Fire Marshal Wesley Bradley at 956-318-2697.
